summary of Classic books such as Emma Arne Arabian Nights Pride and prejudice Tower of London Wealth of Nations etc  
Each book is specially crafted after reading complete book in less than 30 pages One who wants to get joy of book reading  
especially in very less time can go for it About The Book Shirley Charlotte Bronte s second novel was published two years  
after Jane Eyre on October 26 1849 The writing of it was a tragedy When the book was begun her brother Branwell and her  
two sisters Emily and Anne Bronte were alive When it was finished all were dead and Charlotte was left alone with her aged  
father In the character of Shirley Keeldar the novelist tried to depict her sister Emily as she would have been had she been  
placed in health and prosperity Nearly all the characters were drawn from life and drawn so vividly that they were  
recognised locally Caroline Helstone was sketched from Ellen Nussey Charlotte Bronte s dearest friend who furnished later  
much of the material for the best biographies of the novelist Shirley fully sustained at the time of its publication the  
reputation won through Jane Eyre but under the test of time the story owing no doubt to the conditions under which it was  
written has not taken rank with that first fruit of genius Jane Eyre or that consummation of genius Vilette For more eBooks
