Napkin Notes Garth Callaghan, 2014-10-28 Garth Callaghan doesn't know how long he has to live But he can be certain of one simple thing No matter his fate his daughter Emma will find a handwritten note inside her lunchbox each day until she graduates from high school Cancer has given Garth Callaghan a new purpose to inspire parents to connect more with their children even in small ways as he has done before and since his diagnosis by tucking a napkin note into his daughter's lunch every day Every morning as he packs Emma's lunch Garth adds a little surprise a napkin note a short tender message to convey his love encouragement and pride Garth began writing his napkin notes when Emma was in grade school and as she grew up his notes became more meaningful Shortly after Emma turned twelve Garth learned he had kidney cancer Determined to make the time he has left meaningful he has compiled years worth of notes to get his daughter through her high school graduation Now in this moving book a blend of inspiration and memoir he makes his remarkable legacy available to all of us to deepen our relationships with our own children and those we love Garth introduces each chapter with a napkin note and then shares a story connected to it and to his life In the vein of *The Last Lecture* *Tuesdays with Morrie* and *Until I Say Good bye* Napkin Notes is an inspiring tale of family love and wisdom Beautifully written tender and wise it is sure to warm the hearts and touch the souls of readers everywhere
